SPORTS BANQUET

The storm of the week came right on schedule but this time failed to halt the Boosters Club annual Sports banquet which was served at Old Rochester Regional High School on Saturday, January 23rd. The turnout was very good when the weather was taken into consideration.

Mr. Llewellyn Roberts, head of the English Department at the high school, served as master of ceremonies. Mr. Brydson Sharples, a member of the school committee, who was to have been MC, was unable to return in time from an out of town business trip.

The invocation was given by The Rev. Leonard Mullaney. Mr. Ernest B. Dorr, president of the Boosters Club, welcomed those present and spoke briefly.

Mr. Roberts introduced the head table guests which included Joseph Zabilski, head football coach, Northeastern University, honored guest and principal speaker; Superintendent of Schools, Joseph C. Kunces; director of athletics Richard Norman and Mrs. Norman; head football coach, Frank Almeida and Mrs. Almedia; assistant coach Robert Giebley and Mrs. Giebley; Mr. and Mrs. Dorr, Mrs. Roberts and the Rev. Mullaney.

Mr. Norman spoke on the overall athletic program and the encouraging progress of O. R. athletics. He brought out that a change of schedule had meant stiffer opposition for the football team in this past season. He also emphasised the

George Briggs was named as the most valuable player of the cross country team and presented with a trophy, accepted in his absence by Tom Dexter, captain of the team.

Coach Almeida had high praise for his football squad. He said that, in spite of the 2 and 6 record, that they had showed very good potential The games that were lost were close enough to have gone either way he said. Most of the time the line had to give away 30 to 50 pounds per ma and still showed up very well against their heavi er opponents. Coach Almeida said that he was looking forward to the season ahead when many of his veteran players will return. He announced the co-captains for next year's team. They will be Donald Dorr and James DeCosta. He also introduced this year's co-captains, George Monteiro and Antone Mello, who presented the two coaches with gifts from the team.

Coach Almeida presented a trophy to Nicholas Pina who was named outstanding lineman for the 1964 season. The trophy was donated by Mr. Louis Galavotti who operates Louie's Tub Mill Brook Barber Shop in Mattapoisett. Donald Dorr was named as the most valuable player and was presented a plaque from the coach. The plaque will hang in the corridor of the school with the name of the most valuable player engraved on it. Dorr was also presented with a trophy to keep for himself from the Boosters Club Presentation was by Mr. Dorr to his son.

In introducing the speaker, Mr. Roberts recalled that by an odd coincidence, he had seen Mr. Zabiliski play one of his most outstanding games as a college football player when he opposed an All American lineman for an afternoon. Mr. Zavilski starred on the Boston College squad that also included such well known names as Charlie O'Rourke and Mike Holovak, head coach for the Boston Patriots.

Mr. Zabilski proved to be an amusing speaker, as he recalled stories of his college playing days and his present coaching job. He also had several anecdotes about the people around him at the head table which delighted both them and the audience.

Mr. Zabilski said that it was important to create a proper balance of mind and body to lead to a more wholesome citizenship for the individual. He said an athlete "is one who couples his physical fitness with study, thus placing the development of mind and body in the proper perspective"

He mentioned Byron "Whizzer" White, a football star some years back, who is now a justice of the United States Supreme Court, and Barry Ward, former Harvard halfback, who is now a noted surgeon and administrator at John Hopkins Hospital. These two men, Mr. Zabiliski said, are among the many who have succeedeed in bot educational and athletic fields.

Mr. Zabilski concluded his speech by saying, "God gave us two ends to use - one to think wit the other to sit with, it's your choice - heads

AFS MEETING

Two important dates of interest to the community were discussed at the monthly meeting of the AFS Chapter of Old Rochester Regional High School. On March 23 there will be a panel discussion by the foreign exchange students of this area at the high school. A tentative date of April 23 is being planned for a program by the Harpoon Harmonizers of New Bedford.

The Shares in Democracy project for the students at the High School will soon be underway. The success of this project is instrumental in bringing a foreign exchange student to Old Rochester.

The Homes Committee is urging anyone who is interested in hosting an exchange student for the school year 1965-66 to contact Mrs. A. Barton Cummins of Rochester. Mrs. Cummins is planning to attend a meeting in Wareham on January 22nd in connection with her responsibility as chairman of the homes committee.

The date for the annual banquet and panel discussion of exchange students under the sponsorship of the Wareham Chapter of AFS will be Thursday, February 4. Area residents are invited to attend. Tickets are now available.

TO THE EDITOR:

A recent column by Richard Starnes made an emotional case for passage of the Medicare Bill at this session of Congress.

Hinting that doctors are more interested in accumulating wealth than in the welfare of less financially fortunate patients, Mr. Starnes stated: "....adequate medical care is a luxury beyond their means". He also said that the Medicare Bill is too modest in scope. Answering the first statement, the Arizona Republic says that in Maricopa County alone, members of the medical profession annually contribute more than a quarter of a million dollars worth of free medical care to underprivileged persons. They also write off each year another collectively impressive sum, upon discovery that payment of bills would be a hardship upon hard-hit families.

Having been a Registered Nurse for many years, I know that these practices are everyday procedures in Massachusetts.
